

MHK INSURANCE ...

AN ENDURING LEGACY

It is rare to find an insurance brokerage today that remains fiercely independent in its operations and service offerings, with deep entrepreneurial roots that go back more than a century. **MHK Insurance is that brokerage.**

Western Canadians and their businesses, from startups to successful enterprises, continue to be the utmost priority for the MHK team. For generations of clients, MHK has led the way in providing highly collaborative and advisory insurance services and robust risk management programs for both personal and commercial insurance as well as versatile premium financing. How we provide our five-star services is truly the secret of our success.

With a name that carries weight in the industry, we leverage our longevity and credibility, well-established relationships with insurance companies, and scale with extensive partner resources across Canada to offer our clients the...

“whole package” — priority service, preferred rates and coverage options, and strong advocacy through any loss or claim with trusted insurance and risk advisors.
